## Frequently Asked Questions

### When can I drop my child off?

Each day starts at 8:30 am and ends at 4:30 pm.

### What if I am late to pick up my child?

We understand that parents are busy people. From time to time everyone is late to arrive. Parents who are consistently late to pick up their child from Day Camp will be charged a fee of \$5.00 each time they are late.

### What if my child is going to be absent?

If your child is going to be absent from Day Camp please call the Program Coordinator at 204-857-7772 ext. 2227 and leave a message the morning of the program.

### What if someone else is picking up my child?

On the registration form, there is space provided for you to list people who will be picking up your child. If you need to add people to pick up your child from camp, please send a note to the Recreation Manager with the date and your signature. If someone comes to pick up your child who you have not given authorization to, we will have to reach you for verbal permission before releasing your child

### What if my child has Special Needs?

If your child is accustomed to support during the school year, please contact us before the first day of Day Camp to ensure your child's needs can be met and that their potential experience is positive.

### What if my child becomes ill?

If your child is too ill to participate fully in all aspects of the program, please keep them home. When a child is feeling poorly, the last place they want to be is around all their friends who are busy having a good time. In the event your child becomes ill at Day Camp, we will call you to come and pick them up. All our staff are certified in First Aid and CPR.

### What if my child needs medication at Day Camp?

If your child requires medication please fill in the medication form available. If your child requires a non-prescription medication, written instructions which include times to administer medication must be given to the program leader. All medications need to be in the original container with your child's name and the date of the prescription on the container. All medications are locked in storage at Day Camp and can be refrigerated if required. If the medication is for emergency use (ie. inhalers or epi-pens) the program leader will carry it in their emergency kits or if your child self-administers their medication, they can carry it in a fanny/waist pack.
